### Day Curl & Kingsborough Spiels..Great Successes

Winners of our bi-annual mixed club bonspiel are pictured above. Betty Vanni from the Coldwater Funeral Home, sponsor of the spiel, is in the centre of the picture. Joy Walker from the Coldwater Club curled with Ron O'Sullivan & Allan Henry from the Midland Curling club & Mark Rowland from the Orillia club. Morning winners were: Bill Hunter & Dermot Quinn of

Midland, Carl Watson, Orillia & Fred Espey, Coldwater.

#### Kingsborough Bonspiel

What a turn out!! Nine of the 16 teams taking part represented outside clubs.

Orillia, Sutton, Alliston, High Park Toronto, Stroud, Burlington & Coldwater curling curlers took to the ice to capture the title to the Kingsborough cup.

The overall winning team was skipped by Hugh McLeod, vice Julia McLeod, Second Brian Volke & lead Heather Leitch. This same team competed in our Stone/Stark bonspiel & were winners of that spiel. Our

own Jerry Piitz skipped the 3rd place team. Jerry & his team filled in at the last moment when an expected team pulled out. Many thanks Jerry, Jeff & Laurie for coming to our rescue. Kudos also to all the volunteers who helped make the spiel a success & to Atlas Block for providing the funds for the winning teams.

### Vital curlers operating behind the Scenes

**Carol Jefferies** & husband Terry are tireless

organizers of our 'day inter-club bonspiels'. In addition they take care of tabulating all the grocery receipts, sending them away to the 'Save a Tape' fund. Up to date they have earned \$928.49 for our youth program. This

month they redeemed \$179.81; to accomplish this they had to tabulate & send in \$80914.22 worth of tapes. Kudos for all your hard work; we appreciate your contributions to the club & to our youth program.
